WELCOME

Session: 2022-23

Our founding club Panel members with our respected and honorable Principal.

History

The General Knowledge Club of Shaheed Bir Uttam Lt. Anwar Girls' College is self-contained and active today. But even a few days ago, it was just a segment of the Science Club. But it has dominated various competitions as a unique subject, achieved success, and brought great rewards and fame to the institution. Seeing its success, everyone thinks of giving it the status of an independent and unique club. As a result, through the students of the 2019-20 batch and at the initiative of our esteemed Ex-Principal Sir and Ex-Vice Principal Madam, on March 3, 2020, the "SAGC General Knowledge CLUB" emerged as a self-contained club, free from the scope of the Science Club and continues to play an active role.

General Knowledge contributes to personal enrichment and a better understanding of the world as a whole. The General Knowledge Club helps to develop a desire for knowledge and increase confidence among students which will enable them to be successful in future life. To make students interested in general knowledge, the club arranges practice session on the first Thursday of every month. The club plays the major role organizing and conducting inter class and inter section general knowledge competition. Besides, the club also performs on the occasion of Armed Forces Day, Independence Day, Victory Day etc. Students of General Knowledge Club also attend Inter Cantt.
