

Welcome to
Math Club (College)

Moderator

Anjan Kumar Roy

Asstt. Professor of Mathematics
Head of Department

Speech of Moderator

The general perception is that Mathematics is merely a game of plus, minus, multiplication, division etc. Actually these are the most fundamental operations. It is said that Mathematics is the mother of all science. If one is rich in mathematics, he/she will be rich in other subjects.

Contd.....

Practicing mathematics changes the thinking power, it empowers our accuracy of thought, quality of thought and perfection of thought. To be good in this subject, one must know all the basics in all stages. It's a knowledge of one's own. If one gives quality efforts in this subject, he/she will gain undoubtedly.

Mathematics is a subject that needs a lot of practice, effort, thinking, fundamental rules of all levels and above all, one should be cordial with this subject, otherwise, no outcomes will be visible.

Mission and Vision

Our mission and vision in Math Club are to improve the state of mind to develop their practices and accuracy. In college level, there are a lot of new topics which needs a lot of patience to learn. Mathematics is really a creative subject. We teach the basics, techniques, shortcuts etc. Then we take quizzes one by one and refreshing them and finally, they are prepared for any competition.

Other Members

Sukhendu Bikash Saha

Dept. of Mathematics

Aim and Goals of Math Club:

Math has become an essential part in all the fields including, biology, physics, chemistry, astronomy, finance and banking. But academic math limits our range of exploration whereas, Math Club aims to create the opportunity to discover new ways of solving problems, develops our basics and enhances our perspective. It creates a platform to discover new probabilities, competes with other geniuses and helps us to reveal what charisma numbers and symbols have. It helps us to explore the world of numbers and makes us believe that every range can be calculated, every equation can be proved and every problem has solutions.

Panel Members (2021-22)

SN	Name	Roll No	Section	House	Post
1	Shanjida Tasnim	1045	Proton	RB	President
2	Sanjana Jarin	1516	Spectrum	BR	Vice-President
3	Masrura Sara Mohima	1212	Meson	RB	GS
4	Anisha Tasneem	1003	Proton	NF	OS
5	Tasmia Tasmin	1275	Meson	NF	OGS

Panel Members (2021-22)

Panel Members (2021-22) *with Moderator*

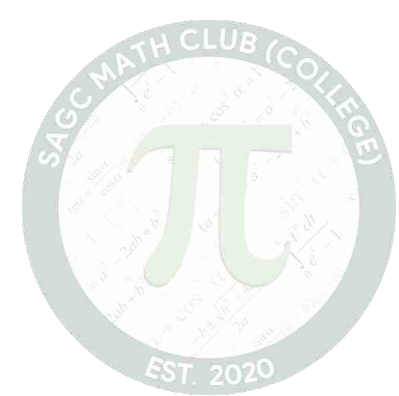

Panel Members (2020-21)

SN	Name	Roll No	Section	House	Post
1	Lamyea Naznin Bely	4407	Copotron	SN	President
2	Samia Saifa Amita	4646	Quantum	NF	Vice-President
3	Mahia Mahjabin	4472	Copotron	BR	GS
4	Mahia Binte Tarique	4555	Spectrum	SN	OS
5	Sumaiya Mostafa	4345	Positron	RB	OGS

Panel Members (2019-20)

SN	Name	Roll No	Section	House	Post
1	Fariha Yeasmin	1087	Alpha	SN	President
2	Maria	1445	Theta	RB	Vice-president
3	Tanjin Ferdous Era	1823	Delta	SN	GS
4	Tana Mohammad	1758	Sigma	SN	AGS
5	Nabonita Sultana	1276	Delta	SN	AGS

Golden Memories

Inter House Math Olympiad Champion 2022, SAGC

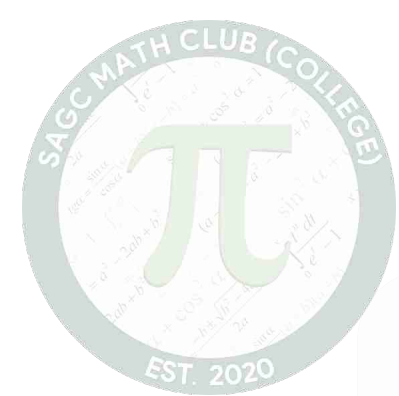

Golden Memories

Inter House Math Olympiad Champion 2022, SAGC

2nd : Masrura Sara Mohima (Right)

3rd : Shanjida Tasnim (Left)

Golden Memories

Respected Principal Sir with the winners in Math Olympiad organized by UTU-2019

Golden Memories

Respected Principal Sir with President of Math Club (College)-2019-20

Golden Memories

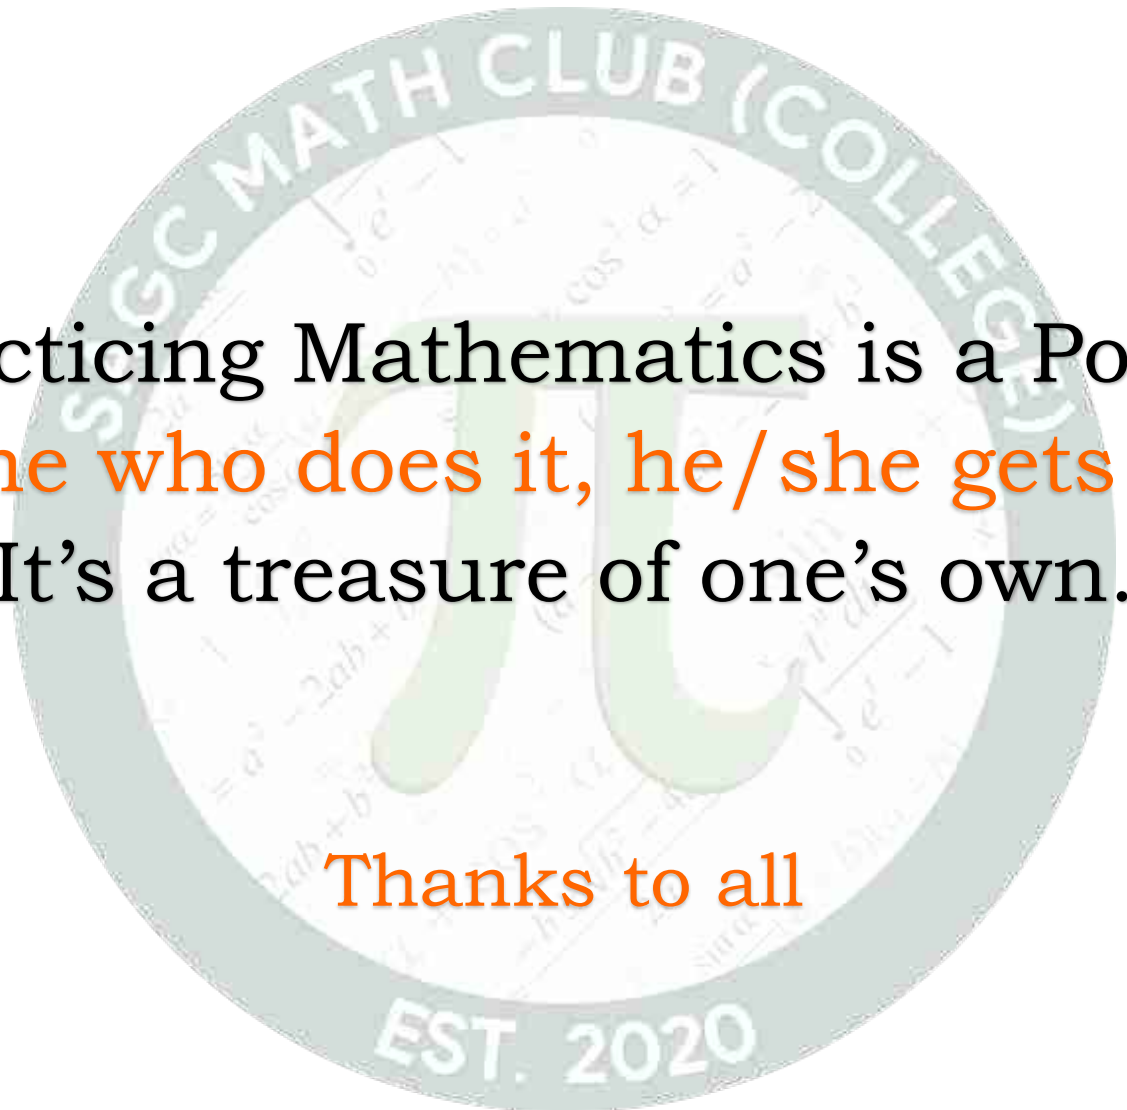

Panel Members (2019-20)

Golden Memories

Moderator Taking Insignia From Honorable Principal Sir

“Practicing Mathematics is a Power”
One who does it, he/she gets it.
It’s a treasure of one’s own.

Thanks to all
