Block E

Front Office:

Front Office Assistant has an office beside the Parents' Waiting Room to act as help desk.

Parents' Waiting Room:

We have a Parents Waiting Room beside Gate No-1. It has got a canteen with book and stationary shop, tailoring shop, bank counter, prayer room, separate wash room for ladies and gents. It can accommodate approximately 200 persons at a time.

Canteen:

We have a canteen which provides snacks, books and stationaries, tailoring facilities for the students. It has two different outlets, one just inside the campus and another one is beside Parents' waiting room.

Prayer Room:

We have a prayer room for the female teachers and students on the 2nd floor of B-Block. Gents can use a small prayer room located behind the Admin building.

Car Parking Facilities:

We have a car parking facility beside Gate No-1 and the Parents' Waiting Room. It can accommodate 70 cars at a time.

CCTV Coverage:

To ensure security of the campus we have launched CCTV coverage.

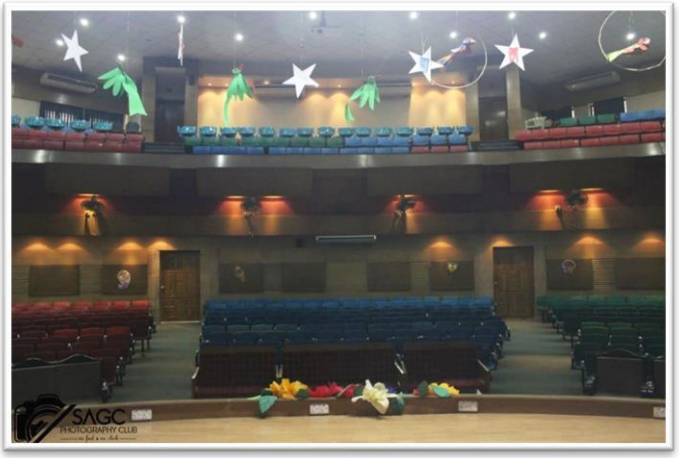

Auditorium:

We have a modern, attractive, air-conditioned auditorium having a seating capacity of 600 persons at a time.

Play Ground:

We have a large playground and a well-organized basketball ground in this institution which gives students immense joy, vigour and enthusiasm. Institution organizes a lot of events in this ground to raise sportsmanship among the students.

Children's Park:

We have a children's park named 'Kolotan' behind the college building and English Version building. It has got some attractive rides and sitting arrangements for the students to spend their leisure hours.

Library:

The college has a modern air-conditioned spacious library with rich collection of different types of reference books to meet the demand of the students.

Common Room:

We have a very well-furnished common room with a TV set and indoor game facilities for the students to help them pass their time with recreation during recess.

Digital Class Room:

We have established Digital classroom with projectors.

Laboratories:

We have separate laboratories for college and school sections. Practical classes are organized regularly as per the schedules.

Computer Lab

Biology Lab

Chemistry Lab

Engineering Drawing Lab

Teacher/Staff Accommodation Facilities:

We have separate Staff Quarters meant for the teachers and staff of this college. Inside the campus, adjacent to Gate No. 4, we have one five-storied building and one four-storied building for teachers and staff. These buildings can accommodate 18 families. In addition, an eight-storied building has recently been constructed inside the college campus to provide better accommodation facilities for the teachers and staff.

Day Care Centre:

We have a 'Day Care Centre' on the 2nd floor of the Admin building. One Aya is always there to look after the kids of our teachers and staff.
