

WELCOME TO

SAGSC LANGUAGE CLUB

*The SAGSC Language Club, encompassing both the Bangla and English Departments, was established on **November 18, 2015**, under the auspicious guidance of the then-Principal, **Colonel Md. Zahidur Rahim, psc**. Founded with the vision of empowering young female students in Bangladesh, the club aims to cultivate the vital skills necessary to thrive in an ever-evolving, vibrant global landscape. By focusing on the four core pillars of language acquisition—**listening, speaking, reading, and writing**—the club provides its learners with the essential framework to achieve effective, eloquent, and confident communication.*

*Under the pragmatic leadership and visionary guidance of **Colonel Md Mozahidul Islam, psc, G**, the institution embarked on a promising new chapter in **March 2021** by introducing **French and Arabic languages** to meet the demands of modern international communication. Reflecting this growth, **French** has now been successfully integrated into the mainstream academic course. Furthermore, the Arabic language program has officially evolved into its own specialized, **independent Arabic Language Club**. Whether participating in competitive events on campus or representing the institution externally, learners across these language programs are continuously nurtured, groomed, and inspired by a dedicated team of dynamic faculty members.*

VISION

To equip learners with the essential language skills required for academic excellence , professional success, personal growth, and meaningful social engagement.

Mission

To empower learners with the confidence and competence to use language effectively and appropriately in real-life situations.

To enhance learners' proficiency in pronunciation, accent, and vocabulary, enabling them to communicate with clarity and confidence in everyday interactions.

To prepare learners for active participation and outstanding performance in national and international language festivals, competitions, and academic events.

To equip learners with the communication and interpersonal skills necessary to seize greater opportunities in higher education and professional careers.

To foster self-confidence, motivation, and a positive attitude towards effective communication and lifelong learning.

Activities

The club organizes an Annual Language Fest on its premises every February, providing a vibrant platform for students to celebrate language, literature, and communication. Throughout the year, the club actively engages students in a wide range of co-curricular activities designed to develop their linguistic competence, creativity, critical thinking, and leadership skills, while preparing them to excel in both national and international arenas.

Key Activities of the Club:

- **Pronunciation** and Accent Development through Interactive Puzzle Games
- Quiz Competitions and **Debates**
- Storytelling Based on Real-Life Experiences and Situations
- Poetry and Rhyme **Recitation**, Creative **Writing**, and Poetry Composition
- **Extempore** and Public Speaking Competitions
- Vocabulary-Building Games and Language Challenges
- **Role-Playing** and Conversational Activities in **Real-Life Contexts**
- Drama Production and Stage Performances
- Presentation Skills Workshops
- **Creative Writing** and Essay Competitions
- **Language Olympiads** and Inter-School Competitions
- Book Review and Literary Discussion Sessions
- **Leadership** and Communication Skill Development Programs
