College Central Library

Students in the quiet reading area with the college Librarian on duty in the center.

Active study hall and comfortable reading lounge for students during study periods.

Overview & Location

Location: Welcome to our modern, fully equipped Central Library! Located on the ground floor of Building C, the library offers a peaceful, well-lit space designed for learning, quiet study, and research.

Books & Resources

Our library holds a growing collection of around 10,000 academic and reference books covering diverse topics:

- **Academic & Reference:** Textbooks, reference manuals, and study guides for all courses.
- **General Topics:** Literature, storybooks, science, history, biographies, and religion.
- **Special Topics:** Politics, sports, language learning, debate, and the Bangladesh Liberation War.
- **Periodicals & News:** Popular school and college magazines, academic journals, and daily or weekly newspapers in both Bangla and English.

Services & Facilities

- **Reading Spaces:** Comfortable seating areas and quiet spaces for students to read during free periods.
- **Dedicated Areas:** Comfortable couch lounge and a specialized Teachers' Corner for quiet study and work.
- **Book Borrowing:** Students can easily check out books using their official Library Cards.
- **Friendly Staff:** An Assistant Librarian and support staff are always on hand to help you find what you need.
