

Playground

Today's students being engaged in an abundance of activities have few opportunities to enjoy freely playing outside. But outdoor play is essential for physical and mental development of a student. Shaheed Bir Uttam Lt. Anwar Girls' School & College wants to unlock the potential hidden in a child. That's why there is a large playground in this institution which provides students with rich opportunities to learn, explore, grow and develop. The exquisite view of green field gives students immense joy, vigour and enthusiasm. Students play football, cricket and other games in the playground. This institution organizes a lot of events in this ground to raise sportsmanship among the students. The Annual Sports of this institution is held in the playground every year. Besides this playground, there is also a well-organized basketball ground in this institution.
