Medical & Sick Room Facilities

Medical consultation desk with attending doctor and healthcare staff.

Three-bed recovery sick room area equipped for primary treatment and rest.

Overview & Location

Campus Healthcare: In addition to academic excellence, Shaheed Bir Uttam Lt. Anwar Girls' School & College prioritizes student well-being by providing dedicated healthcare services. First established on February 1, 2006, the Medical Sick Room reflects the institution's commitment to maintaining a healthy campus environment.

- **Location:** Situated in Room 106, D-Block for central accessibility across campus.

Medical Services & Daily Care

Daily Student Support: Serves around 60 to 70 students daily with immediate first aid and emergency care.

- **Bed Capacity:** Equipped with a clean, comfortable 3-bed setup for student rest and observation.
- **Full Medical Staff:** Staffed by a qualified medical doctor, a trained health worker, and a dedicated attendant/nanny.
- **Medicines & Emergency Aid:** Stocked with adequate emergency first-aid supplies and essential medicines for both students and teachers.
